Program Benefits

Our psychiatric mental health nurse practitioner program is delivered online in a thoughtful blend of synchronous and asynchronous class meetings. A 40-hour skills-based colloquium on Salve Regina's campus is also required. This combination offers the flexibility required for working adults while also fostering personal connections with faculty that are the hallmark of the Salve Regina experience.

Salve Nursing

Founded by the Sisters of Mercy in 1934, Salve Regina University is a Catholic institution known for excellence in learning and fueling the imagination of students to bring forward progressive ideas that marry intellect and spiritual growth.

We enroll nearly 2,700 undergraduate and graduate students from across the globe. Our programs are designed to support a world that is harmonious, just and merciful by integrating student experience and personal values with competency in theory and in practice.
