RN to B.S. in Nursing

Salve Regina University's bachelor's degree in nursing is designed for licensed registered nurses who graduated from an accredited program awarding an associate degree or a diploma in nursing with a minimum cumulative GPA of 2.7. Upon completion of the program, students are well-prepared to continue their education for a master's degree or doctorate in nursing.

Pricing

\$9,240 for nurses from partner institutions. **\$10,920** for nurses from non-partner institutions.

Flexibility

Complete our RN-B.S. program in as little as 12 months with six different start dates per year.

Benefits

Preferred tuition rate for nurses at partner institutions extends to spouses and family members as well as members of the military.

*Pricing reflects cost of nursing curriculum only

Program Requirements

You will earn your B.S. in nursing by completing 125 credits and automatically receive 58 credits for your prior educational preparation as a registered nurse. Coursework taken at other institutions or during the licensing process may also be eligible for transfer. A minimum of 30 credits must be taken at Salve Regina University to obtain your bachelor's degree. To apply, your RN license must be current and in good standing and you must have maintained a minimum GPA of 2.7. All qualified students are eligible for admission regardless of race, color, age, gender, disability, religion or national origin.

Salve Nursing

Founded by the Sisters of Mercy in 1934, Salve Regina University is a Catholic institution known for excellence in learning and fueling the imagination of students to bring forward progressive ideas that marry intellect and spiritual growth.

We enroll nearly 2,700 undergraduate and graduate students from across the globe. Our programs are designed to support a world that is harmonious, just and merciful by integrating student experience and personal values with competency in theory and in practice.

- ▶ Financial aid is available
- ▶ Join our program to discover the difference Salve can make in your personal and professional life
- ▶ Opportunities for professional development within a holistic model of education backed by the Mercy Mission
- ▶ Preparation to address future health needs of various populations
